

# Say It or Swallow It

---

Just because we think it, that doesn't mean we should say it. Review the following questions and decide if you should say it or swallow it!

|                                     | Say It | Swallow It |
|-------------------------------------|--------|------------|
| I like how you did your hair today. |        |            |
| Why are you wearing those glasses?  |        |            |
| Why are your teeth crooked?         |        |            |
| I like your other shoes better.     |        |            |
| Want to play a game with me?        |        |            |
| Can you help me with my work?       |        |            |
| I like the color of your shirt.     |        |            |
| Add your own:                       |        |            |
|                                     |        |            |
|                                     |        |            |
