

Appropriate Touching

Touching can be a form of communication. For example, if someone is patted on the back, it usually shows that they have done a good job. However, if they are slapped, it might mean that they have made someone angry.

Read through the examples of touching listed below. Decide if the type of touching was appropriate or inappropriate. If you mark something as appropriate, write with whom you might use that type of touching.

	Appropriate	Inappropriate	Who can I touch in this way?
Giving someone a high five	<input type="checkbox"/>	<input type="checkbox"/>	
Jumping on someone	<input type="checkbox"/>	<input type="checkbox"/>	
Slapping any part of another person's body	<input type="checkbox"/>	<input type="checkbox"/>	
Putting arm around someone	<input type="checkbox"/>	<input type="checkbox"/>	
Kicking	<input type="checkbox"/>	<input type="checkbox"/>	
Pinching someone	<input type="checkbox"/>	<input type="checkbox"/>	
Holding hands	<input type="checkbox"/>	<input type="checkbox"/>
